Objections raised.	Remarks of the office inspected	Remarks of the Custodian.
Para 2: The Accounts of Evacuee Property are kept by the various Mamlatdars separately and not consolidated by the Dy. Custodian of Evacuee Property at Karwar.	All the Accounts are maintained by the Asstt. Custodian of Evacuee Proper--ties concerned as they are the actual Managers of the properties. I may kindly be informed whether the Accounts are to be consolidated at the district H.O. and if so in what forms, they should be maintained.	Dy. Custodian should note that all the regis-ters prescribed under the Administration of Evacuee Property (Central) Rules 1950 has to be main-tained at the Dist. head Quarters. Attention is invited to this office letter No;CEP/CIR/154, dated 10-6-52.
Para 3:- It is seen that 54 persons have been declared as evacuees and properties of only 8 persons have been taken into possess--ion.	So far possession of the pro-perties in 20 cases have been taken over and proceedings in other cases are in progress. Further progress made in this connection will be reported in due course.	Nil.
Para 4 (i): Personal ledger Account of each evacuee in form No.15 has not been maintained at the talukas eventhough the properties have been taken into possession.	The assistant Custodians con--cerned have been directed to main--tain the Registers in the proper forms. Their reports in this connection are awaited. Further prog ess in this connection will be reported in due course.	Nil.
(ii) In the case of Bhatkal Petha names are entered in the Index Register in Form No.14, and as and when the persons are declared as evacuees without any alphabet--ical order and details as mentioned in Form 15. It is essential that Index Register ---		

1.	2.	3.
Register should be kept property. (iii): Demands of rents of Agricultural and immoveable property (other than agricultural) have not been entered in registers in form No.24 and 21 respectively.		
Para No.5: Return not submitted. i) The certificate as required by the note below Rule 45 that the balances in the P.D. A/cs of the evacuees have been reconciled with the cash in hand plus the amount shown in the Treasury column of the cash Book and with the classified abstract has not been ~~xxxxx~~ submitted to Ministry of Rehabilitation, for the month of December 1951. ii) A copy of the classified abstract in Form 29 for December 1951 has not been submitted to Accountant General as required by Rule 46.	The quaterly certificates regarding closing balances of the P.D. A/c in the form statement No.4, prescribed under Govt. of India's letter No. RST(600/(12)/56 of 1-9-51 received under C.E.P's No.CEP/CIR/127 of 18-9-51 have been submitted to Custodian of Evacuee Property, upto 31-3-52. If the monthly certificates are to be submitted, the form of such certificate may kindly be intimated. The returns have now been sent to Accountant General, Bombay.	The forms containing such certificates under Rule 45 have been replaced by other forms vide C.G.E.P's letter No.36(5)/-S & A/51, dated 2.2.52 issued under this office endorsement No.CEP/CIR/127-A, dated 22.2.52. Dy. Custodian of Evacuee Property should however note that the requirements of the note below Rule 45 are complied with while submitting quarterly return under CEP/CIR/127, dated 18-9-51. Nil.
Para 6: According to the circular No. CEP/CIR/33, dated 20-7-50 from the Custodian of Evacuee Property, Bombay Custodian fees for administration charges at 20% are to be recovered ~~xxx xxxxx~~ and 10% are to be recovered for normal repairs and maintenance. Thus a cheque for 30% of the gross realisation should be drawn at the end of each month and credited by the transfer credit to the head "XLVI-Misc" - vide Rule 44. The requirements of this rule were not observed during the month of December 1951. It may please be done now.	As per rule 44 of Administration of Evacuee Property (Central) Rules 1950, administration charges are to be paid by transfer credit by issue of cheques. Indent for supply of P.L.A. cheque Book has already been made to the Manager, Yerwada Prison Press and on receipt of the same, the administrativn charges will be adjusted.	The interpretation made by Examiner outside Audit Dept. is not correct. Only 20% are required to be charged for Custodian fees and administration charges, 10% for normal repairs and maintenance is to be charged only by "C" States. While all other States have to charge actual repairs and maintenance charges (see Rule 26). Dy. Custodian of Evacuee Property should note that only 20% of the gross realization ..

1	2.	3.
		realization should be transferred to "XLVI - Misc." Dy. Custodian should also note that there is no necessity of ~~including~~ indenting a cheque Book for P.L.A. A/c as now all the balances under P.L.A. Account in the Provincial Section have to be transferred to P.D. Account in the Central Section of the A/cs. (See letter No.D.A.XVII-RFG-EVA-I/5193, dated 25th October 1950 addressed to all the Treasury Officers). Cheque Book of P.D. Account can be had from the Treasury. Dy. Custodian should also immediately see that the transfer from Prov. Section to Central Section is effected and should ~~sh~~ report compliance.
Para 7:- It was noticed that in all the reports submitted by Panchas declaring the property as an Evacuee there was nothing on record to substantiate the fact that there was no moveable property. Instructions may, therefore, please be issued to make a specific mention about moveable property in the Statement of Panchas.	Necessary instructions have been issued to Asstt. Custodians concerned.	Nil.
Para 8:- In 3 cases rent has not been recovered from the date of declaration of the properties as Evacuee Property. Rent should be recovered from the date of declaration of the declaration of the property as Evacuee Property Vide Section 7(2) and 8(4) of the Act.).	The Asstt. Custodians have been directed to expedite in the matter and their reports are awaited.	Nil.

1	2.	3.
Para 9: It was noticed that there was considerable delay in issuing possession order after notifying the properties. There was also delay in taking possession after the issue of order.		
Para 10: In 5 cases though appeals and applications have been received, the fees prescribed under Rule 32, have not been recovered yet. The fees should be recovered very early and credit pointed out.	The Assistant Custodians have been directed to recover the amount. Their reports are awaited. Further progress will be reported in due course.	All the fees prescribed under Rule 32 have to be collected by affixing "Court Fee" Stamps on the memo of appeal or the Application. Dy. Custodian should note this and see that the necessary court fee stamps are affixed. There does not arise any necessity of pointing out the credit.
